TRAP SHOOT INFORMATION

WELCOME!

Our 4th Annual Charity Trap Shoot – presented by R/S Service & Supply – is a building industry charitable event in support of HomeAid Phoenix's mission to help those impacted by homelessness to build new lives. Funds raised will support HomeAid Phoenix's housing development and community outreach programs throughout the Valley. Thank you for your support! Learn more at homeaidphoenix.org

SAFETY IS EVERYONE'S RESPONSIBILITY:

- Keep the muzzle pointed in a safe direction.
- Keep your finger off the trigger until ready to shoot.
- Keep the gun unloaded until ready to use.
- Know your target and what is beyond.
- Actions must be open and the shotgun empty of ammunition at all times, except in preparation to shoot.
- Pump and semi-auto shotguns shall be carried with the muzzle pointed up. Break-action shotguns may have their actions closed while in the shotgun rack.
- **When shooting:** load one (1) shell at a time and do not reload until just before you're ready to shoot again.

LOCATION: Ben Avery Clay Target Center | 5060 W Skeet St., Phoenix, AZ 85086

(located approximately 1.5 miles west of Rifle & Pistol Main Range)

TEAM ARRIVAL & CHECK-IN

- Upon arrival, please leave shotguns in your vehicles until your assigned trap has been confirmed at Check-In.
- Please arrive approximately **30 MINUTES PRIOR** to your scheduled start time. If you are renting a shotgun from Ben Avery and/or would like to visit our practice range, consider arriving **1 HOUR** prior to your start time.
- Of course, we hope you'll come early and stay a little later for the networking, practice range, food, music and more!
- Click here to see our [Trap Shootings Basics](#) flyer.

SHOTGUNS & AMMUNITION

- **LIMITED GUN RENTALS** available onsite through Ben Avery Clay Target Center.
- You are **STRONGLY ENCOURAGED** to bring your own shotgun or a borrowed shotgun as Ben Avery cannot guarantee rental availability.
- Sharing of shotguns between shooters of the same team is prohibited.
- Only shotguns are permitted at the CTC. Shotguns may not be larger than 12-gauge and barrel lengths may not be shorter than 18½ inches.
- HomeAid Phoenix will supply 12-gauge ammunition only for all registered shooters. If you choose to utilize a different gauge, you are responsible for supplying your own ammunition.
- Lead shot only not larger than 7½ and loads greater than 3¼ dram equivalent may be used, no magnum loads. Buckshot, turkey loads, rifled slugs, steel shot, etc. are not permitted.
- Closed-toe shoes are required and hats are recommended.

WHAT'S INCLUDED

- Registration fee includes: trap fees, 50 clay targets, 50 rounds of 12-gauge ammunition only (If you choose to utilize a different gauge, you are responsible for supplying your own ammunition), new eye and ear protection, breakfast, lunch and refreshments.
- All shooters will shoot a total of 50 shots each.
- Each team will shoot their first round, then have a break, followed by their second round approximately one hour later.
- Please check-in to receive your field assignment and time slot confirmation.

SAFETY IS EVERYONE'S RESPONSIBILITY

- Actions must be open and the shotgun empty of ammunition at all times, except in preparation to shoot.
- Pump and semi-auto shotguns shall be carried with the muzzle pointed up.
- Break-action shotguns may have their actions closed while in the shotgun rack.
- When shooting, load only one (1) shell at a time and do not reload until just before you're ready to shoot again.
